RE: File 100635 - Charter amendment authorizing non-citizens to vote in elections for the Board of the San Francisco Unified School District

Dear Ms. Calvillo,

Should the proposed Charter amendment be approved by the voters, in my opinion, there would be an additional cost, as estimated by the Department of Elections, of a minimum of \$788,000 per election to print and distribute voting materials, train poll workers and separately register people who would become eligible to vote in School Board elections. Should the election take place by absentee ballot only, which would require a subsequent ordinance by the Board, costs may be reduced by approximately 20%.

The amendment would permit non-citizens 18 years of age or older who have children in the San Francisco public schools to vote in the elections for the School Board. The amendment would sunset on December 31, 2016, but could be extended by ordinance.

Sincerely,

Ben Rosenfield
Controller
