Subject: Request for Reconsideration - Vehicle Registration Fee - Ballot Simplification Committee

To Whom It May Concern:

We would like request a reconsideration of language under the first bullet under "The Proposal."

Street Repairs and Reconstruction (50% of fee revenue) – giving priority to streets with bikes or transit ~~high bicycle usage or high public transit usage~~. It also would include projects such as curb ramps, bicycle infrastructure, pedestrian improvements, and other measures to slow or reduce traffic.

The revised language more accurately reflects the intention of proposed eligible projects under the vehicle registration fee.
